Material information

colour

Furniture with colour finish has an evenly attractive, hard-wearing surface.

WOODMAX chipboard

This healthy green-wood chipboard was designed specifically for use in living areas. Our Woodmax chipboard is made only from pollutant-free small-diameter logs and windfall timber from sustainably managed forestry operations in regional woods.

Our natural raw material

Rauch has won various awards for the material used in its boards. Strict tests by impartial institutes consistently confirm that our materials and processes are not harmful to health.

Load-bearing capacity
